2023 COLLECTION / INDOOR

La 2023 Collection coincide con l'anno in cui l'azienda celebra i suoi 75 anni e racchiude il sentire non solo di un lungo percorso, ma di una *family company* che ha dato vita a uno stile riconoscibile in tutto il mondo.

Una collezione eterogenea, libera da schemi, coerente con il pensiero progettuale Minotti eppur sempre proiettata all'innovazione tecnologica, alla ricerca della bellezza e all'evoluzione di stile tesa a rispondere alla costante trasformazione del vivere contemporaneo. Una collezione capace di generare valore, non solo design.

Arredi progettati per essere vissuti e ammirati, ma soprattutto per soddisfare, nel senso letterale del termine del "donare benessere".

Perché lo spirito dinamico di Minotti è in continua crescita, riscoprendo i valori della tappezzeria di un tempo, ispirandosi a molteplici culture e sintetizzando in un unico linguaggio di coerenza stilistica visioni di designer da tutto il mondo come Marcio Kogan / studio mk27, Nendo, GamFratesi, Inoda+Sveje e Gordon Guillaumier, sotto la guida creativa di Rodolfo Dordoni insieme alla famiglia Minotti.

Il sapiente uso di tecniche manifatturiere di matrice *couturier* si traduce in arredi capaci di abbracciare diversi gusti stilistici, se pur sempre estremamente in linea con la visione dell'azienda. Un equilibrio costante tra classicità e contemporaneità, linee organiche e volumi solidi in cui la morbidezza e la consistenza diventano un tutt'uno.

L'iconico linguaggio di eleganza senza tempo firmato Minotti si esprime anche in una scala dimensionale e di fruibilità molto affine al vivere contemporaneo in spazi più raccolti e intimi, spesso racchiusi in dimensioni contenute e avvolgenti. Riuscire a introiettare la storia per poi declinarla nel nuovo, creando una collezione tanto capace di rassicurare quanto ancora di stupire, è la vera sfida, ma anche l'aforisma che Minotti mette in luce quest'anno: non dimenticare il passato, vivere il presente, proiettarsi nel futuro.

The 2023 Collection coincides with the year in which the company celebrates its 75th anniversary and it encapsulates the feeling not only of a long journey, but of a family company that has created a style recognisable worldwide.

A heterogeneous collection, free from conventions, consistent with Minotti's design vision and yet always projected towards technological innovation, the pursuit of beauty and the evolution of style, with the aim of responding to the ever-changing nature of contemporary living. A collection capable of generating value, not just design.

Furnishing pieces designed to be touched, experienced and admired, but above all to satisfy, in the literal sense of "providing well-being".

Minotti's dynamic spirit is constantly growing, rediscovering the values of the upholstery of yesteryear, drawing inspiration from multiple cultures and synthesising the visions of designers from all over the world - such as Marcio Kogan / studio mk27, Nendo, GamFratesi, Inoda+Sveje and Gordon Guillaumier - into a single language of stylistic coherence, all under the art direction of Rodolfo Dordoni, together with the Minotti family.

The skilful use of *couturier*-derived manufacturing techniques results in furnishing pieces that embrace different stylistic tastes, though always flawlessly in line with the company's vision. A constant balance between classicism and contemporaneity, organic lines and solid volumes in which softness and texture become one.

Minotti's iconic signature of timeless elegance is also expressed on a scale of size and usability very much akin to contemporary living in more intimate and cosy spaces, often contained in compact, yet enveloping dimensions. The real challenge is to integrate history and then present it in a new version, creating a collection that is as capable of reassuring as it is of surprising. This is reflected in Minotti's motto for this year: the importance of cherishing the past, living the present to the full, and imagining the future.

Die 2023 Collection fällt mit dem Jahr zusammen, in dem das Unternehmen sein 75-jähriges Bestehen feiert. Sie steht nicht nur für einen zurückgelegten langen Weg, sondern auch für ein Familienunternehmen, das einen weltweit bekannten Stil geschaffen hat. Es handelt sich um eine heterogene Kollektion, die im Einklang mit dem Designgedanken von Minotti ohne vorgefertigte Lösungen auskommt. Dabei ist sie jedoch immer auf die technologische Innovation, die Suche nach Schönheit und die Stilentwicklung ausgerichtet und reagiert so auf den ständigen Wandel des aktuellen Wohnstils. Es ist eine Kollektion, die in der Lage ist, Werte zu schaffen, nicht nur Design. Es handelt sich um Möbel, die gelebt und bewundert werden, aber vor allem auch befriedigen sollen, im wörtlichen Sinne von "Wohlbefinden schenken". Denn der dynamische Geist von Minotti wächst ständig. Er entdeckt die Werte der Polstermöbel vergangener Zeiten wieder, lässt sich von verschiedenen Kulturen inspirieren und fasst in einer einzigen Sprache der stilistischen Kohärenz die Visionen von Designern aus aller Welt wie Marcio Kogan / studio mk27, Nendo, GamFratesi, Inoda+Sveje und Gordon Guillaumier zusammen. Dieser Prozess erfolgt unter der kreativen Leitung von Rodolfo Dordoni zusammen mit der Familie Minotti. Durch den geschickten Einsatz von Couturier-Fertigungstechniken entstehen Einrichtungsgegenstände, die verschiedene stilistische Geschmacksrichtungen ansprechen können, jedoch immer im Einklang mit der Vision des Unternehmens stehen. Eine stetige Balance zwischen Klassik und Moderne, zwischen organischen Linien und soliden Volumen, in denen Weichheit und Textur eins werden.

Die ikonische Sprache der zeitlosen Eleganz von Minotti drückt sich auch in einer Skala von Dimensionen und Nutzbarkeit aus, die dem zeitgenössischen Wohnen in intimeren und gemütlicheren Räumen, die oft klein sind, sehr ähnlich ist. Die wahre Herausforderung besteht darin, in die Geschichte einzutauchen und sie dann in das Neue zu übernehmen und eine Kollektion zu schaffen, die beruhigend wirken und zugleich überraschen kann.

Doch sie besteht auch in dem Aphorismus, den Minotti in diesem Jahr beleuchtet: Vergiss die Vergangenheit nicht, lebe die Gegenwart und blicke in die Zukunft.

Condensant non seulement un riche héritage mais aussi l'esprit d'une entreprise familiale ayant donné naissance à un style distinctif dans le monde entier, la 2023 Collection marque les 75 ans de la marque. Collection hétérogène, affranchie de tout carcan, la 2023 Collection est en parfaite adéquation avec la tradition créative de Minotti tout en étant constamment projetée vers l'innovation technologique, la quête de beauté et l'évolution du style pour mieux répondre à la perpétuelle transformation de l'habitat contemporain. La 2023 Collection est génératrice de valeur et pas seulement de design.

Conçus pour être vécus et admirés, les meubles Minotti ont surtout pour vocation de satisfaire, c'est-à-dire littéralement de "donner du bien-être". En redécouvrant les valeurs de la tapisserie d'ameublement d'antan, en puisant son inspiration dans de multiples cultures et en synthétisant dans un seul langage stylistiquement cohérent, sous la direction créative de Rodolfo Dordoni et de la famille Minotti, les visions de designers provenant du monde entier comme Marcio Kogan / studio mk27, Nendo, GamFratesi, Inoda+Sveje et Gordon Guillaumier, la marque se distingue par un dynamisme incessant. L'utilisation savante de techniques artisanales très haute couture donne naissance à des meubles à même de satisfaire les goûts stylistiques les plus divers tout en restant toujours conformes à la vision de l'entreprise. Les meubles Minotti se distinguent en effet par un équilibre oscillant en permanence entre registre classique et contemporain, entre lignes organiques et volumes solides où moelleux et texture ne font plus qu'un. Le langage emblématique de l'élégance intemporelle de la marque se traduit également par des dimensions et des utilisations adaptées à l'habitat contemporain et à ses espaces plus intimes et réservés aux proportions souvent plus compactes et chaleureuses. Réussir à s'imprégner de la tradition pour ensuite la décliner dans des produits inédits et donner vie à une collection parvenant tout autant à rassurer qu'à étonner constitue non seulement le véritable défi de Minotti mais aussi l'aphorisme que la marque a choisi de mettre en avant cette année : ne pas oublier le passé, vivre le présent et se projeter dans l'avenir.

2023 COLLECTION / OUTDOOR

La collezione outdoor è ormai parte integrante del mondo Minotti in un dialogo fluido e sinergico con gli arredi progettati per l'indoor. Anno dopo anno si è arricchita di nuove forme, materiali e cromie, raggiungendo una forte identità e creando una naturale continuità di visione e di stile per arredare a 360 gradi gli spazi dell'abitare.

Gli arredi della 2023 Outdoor Collection prendono forma da un'armoniosa alternanza di linee sinuose e rettilinee che disegnano un'ampia gamma di sedute e complementi, capaci di dar vita a luoghi di conversazione o ad angoli dedicati al relax, nel mondo residenziale, così come nei *dehors* di strutture Hospitality.

Dai sistemi di seduta modulari, che offrono soluzioni infinite attraverso forme squadrate e rigorose, fino alle famiglie di sedute dai volumi compatti e curvilinei, la nuova collezione esprime la maturità consolidata del brand nell'interpretare con eleganza e personalità gli ambienti *open-air*.

Coordinata da Rodolfo Dordoni con Minotti Studio, la 2023 Outdoor Collection accoglie progetti firmati da designer quali GamFratesi, Nendo, Gordon Guillaumier, Inoda+Sveje e lo stesso Dordoni, in un intreccio di culture di aree geografiche molto distanti tra loro eppur sempre fortemente legate dalla visione Minotti.

The outdoor collection is an integral part of the Minotti world in a fluid and synergic dialogue with the furnishing pieces designed for indoors. Year after year it has been enriched with new shapes, materials and colours, achieving a strong identity and creating a natural continuity of vision and style to offer a complete set of furnishing solutions for all living spaces.

The furnishing pieces of the 2023 Outdoor Collection take shape from a harmonious interplay of sinuous and straight lines that design a wide range of seating and accessories, capable of bringing to life conversation areas or corners dedicated to relaxation, in the outdoor areas of both the residential and Hospitality world.

From modular seating systems, which offer infinite solutions featuring square, linear rigorous shapes, to families of seats with compact and curved volumes, the new collection expresses the brand's wealth of experience in interpreting open-air spaces with elegance and personality.

Coordinated by Rodolfo Dordoni with Minotti Studio, the 2023 Outdoor Collection includes projects by designers such as GamFratesi, Nendo, Gordon Guillaumier, Inoda+Sveje and Dordoni himself, in an interweaving of cultures from geographically distant areas that are nevertheless strongly linked by the Minotti vision.

Die Outdoor-Kollektion ist heute ein fester Bestandteil der Welt von Minotti und steht in einem fließenden und synergetischen Dialog mit den für Innenbereiche konzipierten Möbeln. Jahr für Jahr wird sie durch neue Formen, Materialien und Farben erweitert, wodurch sie eine starke Identität erhält und eine natürliche Kontinuität von Vision und Stil für die ganzheitliche Einrichtung von Wohnräumen schafft.

Die Einrichtungen der 2023 Outdoor Collection zeichnen sich durch einen harmonischen Wechsel von geschwungenen und geraden Linien aus. Sie umfassen eine breite Palette von Sitzmöbeln und Accessoires, die sowohl im Wohnbereich als auch in den Außenbereichen von Hospitality-Einrichtungen Orte für den Austausch oder Ecken zur Entspannung schaffen.

Von modularen Sitzprogrammen, die durch quadratische und strenge Formen unendliche Lösungen bieten, bis hin zu Sitzfamilien mit kompakten und geschwungenen Volumina, ist die neue Kollektion Ausdruck der konsolidierten Reife der Marke mit Blick auf eine elegante und charaktervolle Interpretation von Umgebungen im Freien.

Die von Rodolfo Dordoni mit Minotti Studio koordinierte Outdoor-Kollektion 2023 umfasst Projekte, die von Designern wie GamFratesi, Nendo, Gordon Guillaumier, Inoda+Sveje und Dordoni selbst stammen.

Der Ausgangspunkt ist hierbei die Verflechtung von Kulturen sehr weit voneinander entfernter geografischer Gebiete, die jedoch durch die Vision von Minotti stets stark miteinander verbunden sind.

Faisant désormais partie intégrante de l'univers Minotti, la collection outdoor instaure un dialogue fluide et synergique avec les meubles conçus pour l'intérieur. Au fil des années, elle n'a cessé de s'enrichir de nouvelles formes, matières et couleurs tout en consolidant son identité, gage d'une continuité naturelle de vision et de style permettant de meubler à 360 degrés tous les espaces de l'habitat.

Une alternance harmonieuse de lignes sinueuses et rectilignes donne forme au mobilier de la 2023 Outdoor Collection, qui conçoit une riche gamme de sièges et de compléments d'ameublement parfaits pour créer des coins de conversation ou de détente aussi bien dans les contextes résidentiels que dans les terrasses de l'hôtellerie.

À travers non seulement des systèmes de sièges modulaires rendant possible une infinité de solutions grâce à leurs formes carrées et rigoureuses mais aussi des gammes de sièges aux volumes compacts et curvilignes, la nouvelle collection exprime la maturité indéniable de Minotti en matière d'interprétation élégante et charismatique des espaces en plein air.

Coordonnée par Rodolfo Dordoni en collaboration avec Minotti Studio, la 2023 Outdoor Collection accueille des projets signés par des designers tels que GamFratesi, Nendo, Gordon Guillaumier, Inoda+Sveje et Dordoni lui-même dans un creuset de cultures géographiquement très lointaines et pourtant toujours intimement liées par la vision de Minotti.
